Activities

S. No.	Year	Working Sector	Achievement	Best Practices
1	2024	Health & Family Welfare	purahan foundation organized 5 successful health checkup camps in FY 2024 25 across Delhi with strong community support. Renowned institutions like Rajiv Gandhi Cancer Institute, Centre for Sight, Dr. Shroff Eye Hospital, and Clove Dental participated. The camps offered screenings for cancer, eye, and dental health, benefiting many residents. We thank all partners and volunteers for making this healthcare initiative impactful and accessible.	During FY 2024 25, with the support of our partner hospitals, Purahan Foundation facilitated life-changing treatments for those in need. We proudly organized a free breast cancer surgery for a woman from the BPL category, ensuring she received timely and quality care. Additionally, we supported 65 successful cataract surgeries, restoring vision and hope for many underprivileged individuals. We aim to continue and expand such impactful healthcare initiatives in the coming time.
